Czech Business Council in Dubai was officially founded on May 29th 2014 with support of the Embassy of the Czech Republic to the UAE and Czech Trade, the national export promotion organization of the Czech Republic. Czech Business Council is an association of Czech businessmen active in the United Arab Emirates and is governed in accordance with regulations and license issued by Dubai Chamber of Commerce. Its goal is to create a platform and background for meeting of Czech companies active in the UAE with official bodies of the Czech Republic in the UAE, to create favorable conditions for sharing information and experiences that are vital for doing business in the UAE, to support Czech companies that are to enter the UAE market, to help develop bilateral business and cultural relations, economic activities, investments and other initiatives between the Czech Republic and the UAE, to organize events to promote image of the Czech Republic in the UAE.
